

HARTLEY FARMS MELVIN RALPH & SONS McREYNOLDS - SANDRIDGE

November 1, 1955 - Baxter Springs, Kansas

Mr. Shorthorn Cattleman!

Bull Power . . .

HAS ALWAYS BEEN THE THEME AT

HARTLEY FARMS

The outstandingly successful IMPORTED GLASSEL DORA, famous for the uniformity of his get followed by the great boned sire IMPORTED MOY BOUNTY, one of the most massive bulls of the breed, having made Hartley Farms one of the best known Shorthorn breeding establishments in the Southwest.

H. F. Clipper Research by Les Mathers famous Glassingal Research currently in service with Moy Bounty adds his "Power" to the strength of seed stock available at Hartley Farms. Nor should the cow herd be overlooked. Extensive purchases and rigid culling have left a reservoir of outstanding Scotch pedigree females.

Because a production sale makes such a terrific drain on single herds already reduced in number by three years of severe drought, Hartley Farms is joined by Melvin Ralph and Sons, Girard, Kansas, and McReynolds and Sandridge, Carthage, Missouri.

The Ralph herd was founded in 1930. Today it numbers over one hundred head. It is a practical, working herd to the care and development of which Mr. Ralph and his

sons devote their entire time. If a cow does not pay her way she goes to the stockyards. Bulls used by Mr. Ralph include Sni-A-Bar David, Regal Ringmaster by Sni-A-Bar Rolla Rolox, Braewith Ian W. O. P. by Newallyn Ian. Present herd sires are Gregg Farm Mistral by Edellyn Valiant Mercury, Hartley's Bounty by Moy Bounty and Bell Bar Supreme by Calrossie Supreme. The herd is known throughout the district for quality and condition. They are the kind of cattle that will go out and make money for their new owners.

The McReynolds-Sandridge cattle are from a second herd of Shorthorns established by Allen McReynolds, one of the owners and operators of the Joplin Stockyards. This herd was built out of experience that comes of watching cattle weighed every day. A massive son of Edellyn Campeon Mercury out of a sale topping Sni-A-Bar cow, followed by a son of Glassel Dora on carefully selected females established the foundation. A son of Moy Bounty and Glendale Radiant 14th (see reference sire) are the present herd bulls. That the cattle are the right type is demonstrated by McReynolds and Sandridge having Grand Champion female and Reserve Champion bull placings the last two years in succession at the Ozark Empire Fair in Springfield. The entire offering is made with complete confidence that the cattle go out and do the job for their new owners.

We invite and welcome you to our sale.

PLEASE BRING THIS CATALOG TO THE SALE WITH YOU.

MELVIN RALPH & SONS

HARTLEY FARMS

AMERICAN SHORTHORN BREEDER'S ASSOCIATION GUARANTEE

1. Proper care must be given by purchaser to protect qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest to the buyer, will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later submitted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.

All animals sold in this sale will be backed by the above Standard Guarantee.
